

To All the staffs of Econ (Chai chee)

Thank you very much for the care and assistance the staffs have given to both my parents during their stay in Econ. Although it was only a short period, yet your patient and supportive help to frail the disable elderly is highly appreciated. The centre really provide support services to the elderly and serves as points of for them in time of need. Besides, it also act as place for senior citizen in the vicinity to meet and interact. Keep it up, the staffs of Econ Medicare Centre Chai Chee!

All the Best!
