

**Dear Jian Ping / Jessie**

**On behalf of my family members, I like to take this opportunity to thank you and your staff for the wonderful care afforded to my mother (Tan Cheng Tee – B2) during her 3 months' stay at your facility.**

**Not only the surroundings most pleasant, your staff of nurses and aides are some of the best human beings I have ever met. I truly appreciate the professional care given to my mother.**

**I am most sincere in representing my family in saying "thank you" to all at Econ (Braddell).**
